Institute	—	—

Welcome

Dear fellow Rotary leaders,

I am so pleased that you are attending such a special event such as the Basel Institute. As you meet in the days ahead, you will have the opportunity to celebrate your successes, expand your network across borders and cultures, and share your ideas for the years ahead. Please enjoy and participate to fullest because then you will be best able to really make a difference.

As Rotary leaders, our commitment to service is what drives us, and we want to be a part of something larger than ourselves. This event is where we take our passion for community service to the next level, finding inspiration in each other's accomplishments to bring our service to greater heights.

If we serve our members, we serve our communities. And if we provide comfort and care for our members, they will truly come to understand the power of Rotary.

We all feel the impact that Rotary service and Rotary values have on us ... now it's our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don't imagine yesterday, we imagine tomorrow.

We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love, and peace.

I hope you take the knowledge gained at this special event back to your clubs and districts to help them succeed throughout the coming year. Together, we will achieve great things as we Imagine Rotary.

Warmest regards

Jennifer Jones
President, Rotary International 2022-23

Welcome

Dear Rotarians, dear Rotaractors,

Wherever we look, there are challenges:

- Current events drastically show us that peace is not a matter of course, but the result of many years of effort.
- A few hours away from us, several hundred women die every day as a result of pregnancy and childbirth, and at the same time the population is growing.
- In the environmental field, climate protection, plastic in the world's oceans, biodiversity and others occupy us daily.
- The new status of Rotaract raises numerous questions, the answers to which are crucial for a successful future together with Rotary.

Behind these challenges is an opportunity to contribute to the future and remain relevant.

A number of Rotary and Rotaract members, experts are coming together at the Institute in Basel to identify where we can best make a difference. A new database shows projects that should be realized in the near future and offers the possibility to get involved.

A Foundation seminar provides the necessary information on how we can benefit from the grants. Finally, polio remains a relevant issue.

Let's start today, our future begins now.

On behalf of the entire organizing committee, I wish you an exciting and fruitful stay in Basel.

Urs Klemm
RID & Convener

GETS/GNTS

2. – 4. November 2022

Governor Elect Training Seminar / Governor Nominee Training Seminar is a regional meeting that prepares the incoming governors and future governors to successfully lead their district.

Chaired by

Claudia Hendry, Training Leader

THE ROTARY FOUNDATION

4. November 2022

The Foundation is a not-for-profit corporation supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world. The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Presenters and Speakers:

Mark Maloney, PRIP and Trustee of TRF

Zubair Wahood, WHO

Melissa Corkum, UNICEF

Emma Groenen, EPNZC

Linda Gebser, Cadre

Simona Pinton, Cadre

INSTITUTE BASEL

4. – 6. November 2022

Each year, past, present, and incoming district and senior leaders attend Rotary institutes to share information, build connections, and exchange ideas about Rotary International and The Rotary Foundation. The program includes:

An update on The Rotary Foundation and its programs, a report on our polio eradication efforts, a five-year forecast presented by a director or other Board representative, local and international speakers sharing information on relevant topics and a chance to network, reconnect with friends, and find inspiration for continuing your service and leadership in your community

Presenters and Speakers:

Jennifer Jones, RIP

Urs Klemm, RID and Convener

Alberto Cecchini, RID and Co-Convener

Mark Maloney, PRIP and Trustee

Holger Knaack, PRIP and Trustee

Nicky Scott, RID and Vice President

Ursula Schoepfer, President Board of

Governors CH/FL

Environment

In this breakout session we present and discuss a variety of projects to further these goals.

- Environment & Ethics
- Water & Plastic
- Climate & Energy
- Biodiversity & Sustainability

Mother & Child Health

Listen to experts in this field and share your ideas and projects about these topics.

- Empowerments of girls
- Reduction of maternal mortality
- Calmed approach & midwives
- Reproductive health

Peace

During this breakout session the latest actions by Rotarian and Rotaract will be discussed and future projects promoted.

- View from outside
- Basel Peace Days
- Peace Incubator - succesful projects
- Lessons learned

The future of Rotaract

In this breakout session we will discuss possible means of collaboration and projects to make the future of our common organization even stronger.

- Collaboration & Permeability
- District - Rotaractors in the Rotaract Multiple District
- Rotaract - Rotary Int. Delegation to Committees Representations CoL, CoR
- IT - Communication - Hybrid - what all? - Possibilities participation
